

FactSet Estimates are sourced extensively by major media outlets.

The estimates you rely on every day are FactSet Estimates.

Did you read this morning's [Wall Street Journal](#)?

Have you been watching [CNBC](#) or [Fox Business News](#)?

Do you pick up [Barron's](#) or [Financial Times](#)?

Ever surf [CNNMoney.com](#), [Yahoo! Finance](#), or [MarketWatch](#)?

How many times a day do you get your news from the [Associated Press](#)?

In these places and more, you're seeing [FactSet Estimates](#).

FactSet Estimates provides global insight from leading firms, so you receive top-quality data.
